

A disposable wiper and bucket cleaning system that allows end-users to add their own chemical to create a custom pre-moistened wipe. The MIGHTYWIPE[®] material, made from a cellulose and synthetic base, has excellent strength and absorbency with low lint properties, providing an ideal material for heavy-duty cleaning, wiping, degreasing and surface prep.

Comparable to: Kimberly Clark KIMTECH[®] WETTASK[®]
Georgia Pacific Brawny Industrial[®] AccuWipe[®]
Surface System Bucket
