AIRx SPRAY N GO

Disinfectant Cleaner and Odor Counteractant

AIRx Spray N Go is a germicidal cleaning solution designed for general cleaning, disinfecting and deodorizing of hard, non-porous, inanimate surfaces. It cleans tough stains and quickly removes dirt and grime, food residue, blood and other organic matter found on surfaces in settings like hospitals, veterinary facilities, fitness centers and restaurants. It kills odor causing bacteria, eliminating odors. AIRx Spray N Go is also a proven sanitizer on soft surfaces, killing microorganisms on cotton and polyester fabrics.

Set-ups:

1 gallon jug w/spray bottle
1 quart spray bottle
2.5 gallon bag-in-box

Industries:

All industries

Applications:

Non-Porous Surfaces - All-purpose general cleaning, degreasing and surface prep for seating, counter surfaces, door handles, hand rails, restrooms, exercise equipment

Soft Surfaces - Sanitizes fabrics used in upholstered seating and furniture, window treatments, bedding and sports gear

AIRx SPRAY N GO

Disinfectant Cleaner and Odor Counteractant

AIRX SPRAY N GO

PRODUCT NUMBER	PRODUCT DESCRIPTION	CS/PLT	LBS/CS
DISINFECTANT-1	4 X 1 Gallon w/ 1 Spray Bottle	36	37

CHEMWIPE®

Bucket Wiper Dispensing System

A disposable wiper and bucket cleaning system that allows end-users to add their own chemical to create a custom pre-moistened wipe. The MIGHTYWIPE® material, made from a cellulose and synthetic base, has excellent strength and absorbency with low lint properties, providing an ideal material for heavy-duty cleaning, wiping, degreasing and surface prep.

Comparable to: Kimberly Clark KIMTECH® WETTASK®
Georgia Pacific Brawny Industrial® AccuWipe®
Surface System Bucket

Set-ups: Single-folded centerpull roll available in a small bucket system.
Full size centerpull roll available in a large industrial bucket system.
Refill rolls available.

Industries: Jan/San, Medical, Automotive, Industrial, Hospitality, Institutional, Food Service

GRAB GUARD

Grab Guard is a protective sheet for use as a quick, easy barrier between your hand and surfaces, reducing contact and promoting good hygiene. It's perfect for items such as door handles and elevator buttons. Each box is made with a built-in poly film dust layer. Grab Guard will not harm sensitive glass surfaces such as touch screens and keypads. The box mounts easily to any smooth surface for convenient one-at-a-time dispensing.

Set-ups: One-at-a-time dispenser box

Industries: All industries

Applications: Barrier protection from surfaces such as door handles and elevator buttons.

Colors: White
